

PERFORMANCE PLUS

REHABILITATION CENTER

At Performance Plus Rehabilitation Center we will retain your credit card on file as a convenient method of payment for the portion of services that your insurance doesn't cover for which you are liable.

Your credit card information is kept in a secure, confidential & encrypted vault. We will automatically charge your card at the end of your treatment week.

When your account has been reconciled with insurance and there is a balance we will email you a statement. If the statement is not paid within 15 days, we will run your card for the balance due.

Email statement to: _____

I (we), the undersigned authorize and request Performance Plus Rehabilitation Center to charge my credit card for balances due for services rendered.
